

# Why Does NOTYAB Conduct a Background Check?

NOTYAB checks potential team member for several reasons. Here are a few of the reasons.

- **Responsibility to Clients** is very important in the bookkeeping industry. NOTYAB handles tens of thousands of dollars of client's money on a daily basis; we have a financial and fiduciary duty to have the best possible team members handle their personal information.
- **Negligent hiring lawsuits** are on the rise. If our actions hurt a client, we may be liable. The threat of liability gives NOTYAB reason to be cautious in checking an applicant's past. A bad decision by us can wreck havoc on our budget and reputation as well as ruin the company. We can no longer feel secure in relying on our instinct as a basis to hire.
- **False or inflated information** unfortunately is supplied by job applicants are frequently in the news. Some estimates are that 30% to 40% of all job applications and resumes include some false or inflated facts.

I have read, understand and agree with the reasons for my personal background check and by my signature, hereby certify that I accept and agree to abide by them and that I am competent and legally qualified to enter in to such an agreement of authorizing notyouraveragebookkeeper obtain this personal informatation.
